Ready to Fly

This is my first songfic. I heard this song and immediately thought of Toothless. The song is called **_Ready to Fly **_**by the band FFH. I hope you like it.**

Toothless was sitting in the gorge he had been trapped in for a long time. He was hungry and he hurt from trying to fly away. He couldn't do it without his tailfin. He looked up and saw a bird fly away and wished more than anything that he could fly like that little bird. A song immediately came to him.

I've been here grounded far too long

I'm ready to see the open wide

Ready to sing a different song

I've seen my troubles 'long the way

I want to sail towards the sun

I want to turn another page

I'm on my way

I'm ready to fly

I'm ready to soar

I'm ready to leave this world behind

I'm ready to open up the door

I'm ready to fly

I'm ready to spread my wings across the sky

I think it's time

I'm ready to go

I'm ready to fly

Toothless immediately got up and tried to fly again. In a few seconds he crashed. He stayed that way for a minute and continued his song.

You've told me I could rise above

Like an eagle on the wind

I can glide upon Your love

But I feel the pull of gravity

And it's a weight upon my shoulders

I can't stay here any longer

I've gotta be free

I'm ready to fly

I'm ready to soar

I'm ready to leave this world behind

I'm ready to open up the door

I'm ready to fly

I'm ready to spread my wings across the sky

I think it's time

I'm ready to go

I'm ready to fly

Toothless sat up and looked at the clouds.

_And it's been so long _

Since I've seen the bright morning sun

Through the early morning horizon

And it's been so long

Since I've felt the air under my wings

And seen all of these things

From above

I'm ready to fly

I'm ready to soar

I'm ready to leave this world behind

I'm ready to open up the door

I'm ready to fly

I'm ready to spread my wings across the sky

I think it's time

I'm ready to go

I'm ready to fly

I'm ready to fly

I'm ready to fly

I'm ready to fly

I'm ready to fly

I'm ready to fly

I'm ready to fly

I'm ready to fly

I'm ready to fly

Toothless took one more look at the clouds and suddenly woke up. He was still in Hiccup's room like always and Hiccup walked toward him. "You ready to do some flying?" he asked.

Toothless smiled and sang in his head the last part of the lyrics.

I'm ready to fly!
